## **Cuyahoga County Public Safety and Justice Services Office of Emergency Management celebrates April 2012: National 9-1-1 Education Month**

Cuyahoga County –On May 12, 2012, Emergency Responders will participate in an exercise at Ferro Corporation. The exercise is designed to validate and improve your community's response to a crisis situation.

Listed below are important details that you should be aware of with the exercise within your area.

- The attack is not real; however, the response will be as realistic as possible.
- Area law enforcement, fire and emergency teams, government officials, other government agencies, and private-sector partners will participate.
- The areas where the exercise will take place will be clearly marked, but we want to make sure all area residents are aware of the exercise in advance. We ask for your patience and support if the exercise disrupts your daily routine.

We thank all area residents for their support of this important exercise.

The Cuyahoga County Public Safety & Justice Services Office of Emergency Management mission is to protect lives, property, the environment, and the economy. We shall work to assist the emergency operations of our governmental services to help our citizens to prevent, prepare for, respond to, recover from, and mitigate the effects of major events and crisis situations. We are committed to communicating, coordinating, and collaborating with our local state, federal, and other stakeholders and partners to ensure the safety and meet the needs and expectations of the citizens we serve.
